THE TILE COMPOSER...

- ABOUT US -

These words capture the essence of Mozart Vitrified Pvt. Ltd., India's most preferred premium fullbody vitrified tiles composer. Mozart blends style & innovation into its wide range of quality product offerings that enhance contemporary lifestyles.

Mozart is a family-run business that started manufacturing tiles in 1975 and has since grown bigger and stronger. Now, the second and third generations of our family are carrying forward the legacy with their hard work, innovative vision, and encouragement from our loyal customers.

We as a leader believe in staying ahead of time by creating trends instead of simply following others. We constantly improve ourselves by upgrading our product range. We plan to maintain our leadership status in the fullbody tiles product segment while catering to the increasing demand of the customers.
